

Coastal Poodle Rescue's

Sponsorship Program

If you cannot adopt or foster a dog, you can still save a life by becoming a **sponsor**. This program is designed to help "special needs" dogs who may need surgery or extensive medical treatments before they can be placed in Forever Homes. Others are long-term, or even permanent, fosters. Your \$45 sponsorship helps us to pay vet bills and other costs incurred by these special dogs.

We have two methods for you to become a sponsor: **the new** method is done completely online! On our webpage (coastalpoodlerescue.org), find [How You Can Help](#) then [Sponsor A Poodle](#) where you can pick a dog you'd like to sponsor. (You can choose PayPal or send a check -- just be sure to put the dog's name on the memo line). The **second method** is to send a check along with the form in our quarterly newsletter. You can read the newsletters online by choosing [News & Events](#) and then [Newsletters](#). (If you're not receiving our newsletter and want to be added to our mailing list for the newsletter, contact us via email or phone the "poodle line" at 321-459-2652.)

When you *sponsor online*, you can print your dog's story from the website. We will send you a Certificate of Appreciation and receipt for taxes. When you *sponsor via the newsletter*, you will receive a dog's story in the mail with the Certificate of Appreciation and receipt for taxes.

Consider sponsorship! Look how Stewey's life was changed when he was sponsored and saved!
